 Comments This was totally the best way to travel. We looked at renting a van, driving our own vehicles and other charters and for the money this was the most easy & entertaining way to travel to Philmont. Rachel was awesome!

Comments We exceeded expectations and could not have done, seen and learned so much on our own. Much better for advisors to let guide and reps assist with food, instructions, etc.

A unique family-owned business who loves what they do.

Thank you!

Comments This was one of the best Scouting trips I have ever been to. Our Guide was knowledgeable and kept our group on time and entertained. The activities were challenging for the boys and helped prepare them for strenous activities at higher altitudes. We are planning to be on our itinerary. We are planning to back in 2016 and Blue Sky will be on our itinerary. Worth the cost of the trip.

Comments I REALLY TRIED TO FIND SOMETHING THAT I COULD RECOMMEND CHANGING. HOWEVER, I COULD NOT!

WE DID THIS TRIP IN '09 AND THIS WAS BY FAR A BETTER TIME. WE DID OUR OWN LOGISTICS IN '09.

I WOULD RECOMMEND BLUE SKY TO EVERYONE THAT I MEET.

THANKS FOR A GREAT TIME

Comments Very well run and organized. Good tight schedule to keep everyone on track. Nice mixture of guided tour and free time. Good program to get everyone acclimated to the altitude, a short hike to stay in shape and to prepare for the Philmont experience.
